# DEDICATION

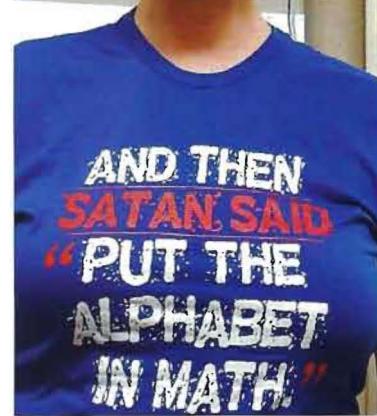

## Karen Nawn-Fahey

"Karen always has something nice to say about everyone she ever met. She always takes time to talk to and help anyone who asks (and some who don't) and if anyone ever helped her in the slightest, they could be sure to expect baked goods of their choice in return."

"Karen is one of the most energetic colleagues I've worked with in my career. She consistently volunteers to help others and regularly models how "students come first."

"Karen is a true champion when it comes to advocating for students. She fights for what is right, believes in everyone, and always puts others first. Her energy, compassion, and love of teaching is something that will truly be missed."

# Thank you for everything!

Bill Olsen  
Superintendent

## Giovanni Falco Class President

Our four years at RHS will be the most unforgettable years of our lives. People say the best years in life are the ones in high school, but as we enter the next chapters of our lives, I encourage us all to treat everyday like our high school years. We need to be just as determined, passionate, resilient and kind as we are right now, so we can help make the world a better place. As President Obama said, "Don't just get involved. Fight for your seat at the table. Better yet, fight for a seat at the head of the table."

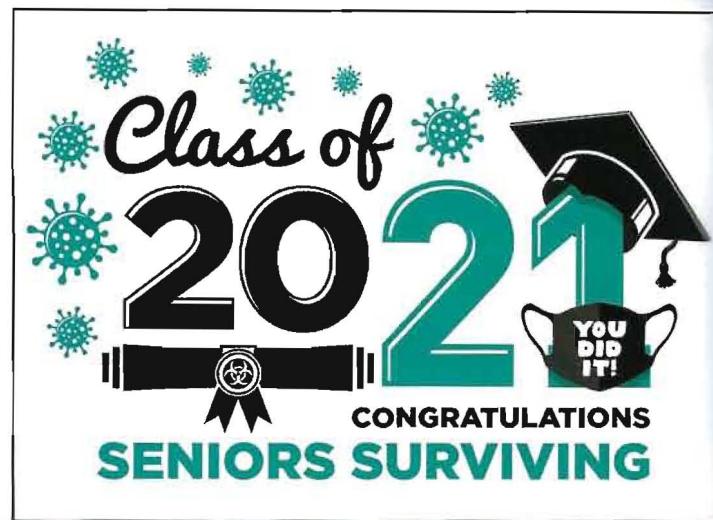

## Cecily McCormack Class Vice President

Although we say goodbye to high school and close this chapter of our lives, we begin a new one. We will always remember the memories we made here these past four years and be able to look back at the friendships we were so lucky to have had. Winnie the Pooh said it best, "How lucky am I to have something that makes saying goodbye so hard".

## Senior Class Advice to Underclassmen:

(We know a thing or two because we've seen a  
thing or two.)

1. It goes by faster than you think, enjoy it while you can.
2. Do your work, get it done!
3. Don't stress too much, it's never as big a deal as  
you think it is.
4. Participate in lots of activities and events.
- 5. Study Hard, Party Harder!**

## PRESIDENT

Student Council has always been very important to me because it's a way to involve the students in school activities while giving a glance into modern day responsibilities. It's a challenge that I've always been excited to be a part of, and I've seen many of my peers grow found of it as well. Rutland does a wonderful job of creating an environment that welcomes student leadership.

- Isabella Lafemina

## VICE PRESIDENT

As Vice President it is my responsibility to work with other members of student government to make the best of our years at Rutland. This includes fundraising, class activities and trying to bring all classmates closer together.

# JUNIORS

# CLASS OF 2023 SOPHOMORES

## OUR MISSION

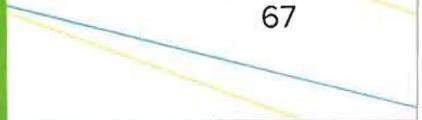

The class of 2023 is all about spreading kindness. Our mission is to bring cheer through the halls of Rutland High School. Our motto is to always be kinder than necessary.

## VICE PRESIDENT

### Lauren Solimano

The class of 2023 has made it our mission to make our mark on Rutland High School by changing the things that we believe are important to fix. As Vice President, my goal is to help lead and guide the class body along with my peers. Throughout this crazy year, we have had to learn new ways to continue our fundraising in order to meet new goals, including our fully virtual 5k race.

# Sophomores

# Class of 2024 Freshmen

Class of 2024, a new bunch of students who joined our high school ready for any and everything thrown at them. Beautiful laughs, hard working and looking for the best outcome, is how we can describe our freshmen.

## Taking Chances

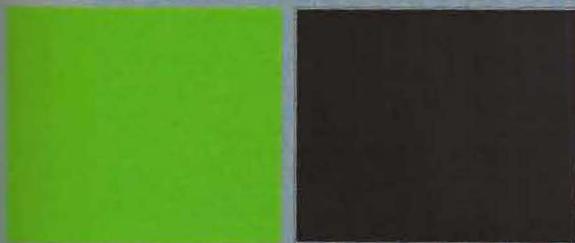

The first year of high school can make you nervous, and you may not be able to memorize your classes. Although you will forever be grateful that you stayed strong and made it through the year. We are proud of you freshmen and hope you are excited to stay for the next 3 years!

## Interview

Our freshmen team committee was most excited to meet new people here at Rutland High School, and see our vibrant community in person! Coming from a smaller school and into a big school was a big change. Our hope for next year is that the school year will be back to normal and we can experience our sophomore year fully. Our advice is to do your best, but also to relax and don't push yourself too hard.

**President Matt Reveal**

## Coach Opinions

### Mike Wood

Q - How has the corona virus affected basketball at RHS?

A - COVID has impacted the basketball program at RHS in a number of ways. First, it has limited the time that teammates can play together, which affects chemistry and team building. Secondly, athletics provides an opportunity to reduce stress and without basketball, kids may feel isolated. Lastly, seniors who may wish to play college basketball are losing an important opportunity to showcase their skills in front of others.

Q - What is a positive that can be taken away from these bizarre times?

A - A positive that can be taken away from these bizarre times is that families have a great opportunity to spend more together, getting outside and engaging in activities that they might not typically have time for otherwise. It also has provided opportunities for children to explore other modalities to learn and connect with friends over virtual platforms.

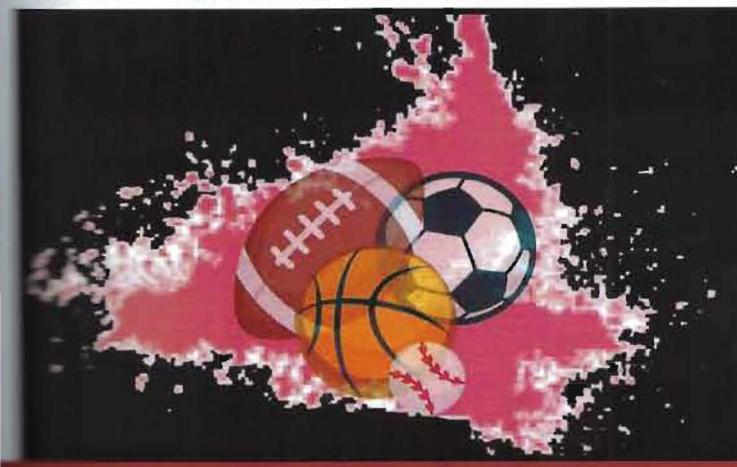

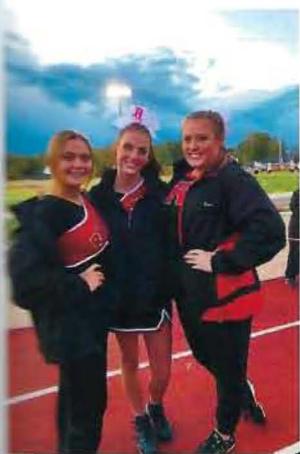

### Mike Norman

Q - How has the corona virus affected football at RHS?

A - Student-athletes who were going to play football this year were going to have to play it in a non-traditional 7 vs. 7 format. That being said, some players opted out and chose to do other things. Those that stayed reaped the rewards and benefits that the great game of football provides including teamwork, commitment, selflessness, hard work, dedication and other attributes that make football the greatest team sport in the world. Lastly, our players allowed football to survive and continue to grow here in Rutland for now and the future.

Q - What is a positive that can be taken from these bizarre times?

A - That people needed to re-evaluate their priorities and really enjoy things in a very fluid environment. Also, we all re-learned not to take things for granted.

# Clubs and Activities

## COVID's effect on Clubs

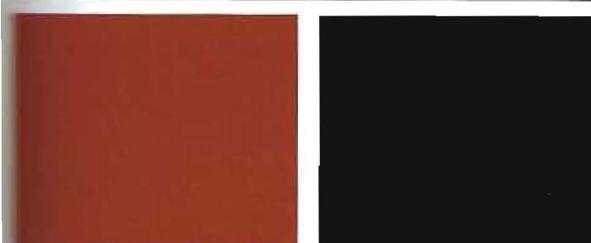

This year, clubs have been unable to be involved in as many community activities as they usually are. Clubs usually meet online and are unable to interact with each other as they usually would.

However, students and teachers continue to push through these hard times and aim at maintaining their regular plans for their clubs as they would have any other year. Students and advisors continue to work together to help each other fight these difficult times by shifting their focus onto things they care about and love to do. It is great to see students be so driven and passionate about the things they do in school and nothing will stop them from continuing their endeavors. Faculty has worked hard to keep clubs running, and advisors try to find the best opportunities to keep their students involved with the community, while staying safe.

## Ms. Alonso

This year the Sociedad Honoraria Hispánica has had to go fully on-line due to Covid 19. Every two weeks the club has had a cultural Spanish theme that through our Google meets we have encouraged our members to learn about new and interesting things regarding hispanic life. Since we are unable to take field trips, we have certainly changed some of the aspects of the club. We are hopeful that in the spring we will be able to come together as a group. Our Club theme is "Todos a UNA".

## Ms. Farkas

This certainly has been an interesting year for everyone! In Club Giving, we found that the activities that we usually do, were not able to happen. It took us a little time to figure out how to continue on as a community service based club in the face of this pandemic. We shifted our meetings to evening Google meets, rather than meeting on our early Monday mornings. We have been working to adapt one of our favorite activities, the raffle at the Soup Bowls for Hunger event, to be an online basket raffle and have reached out to other clubs to participate by putting together a theme based basket to be raffled. We look forward to the days when we can be together in person again!

# Retirees

*It's hard to say goodbye...*

## Patricia Alonso, World Languages

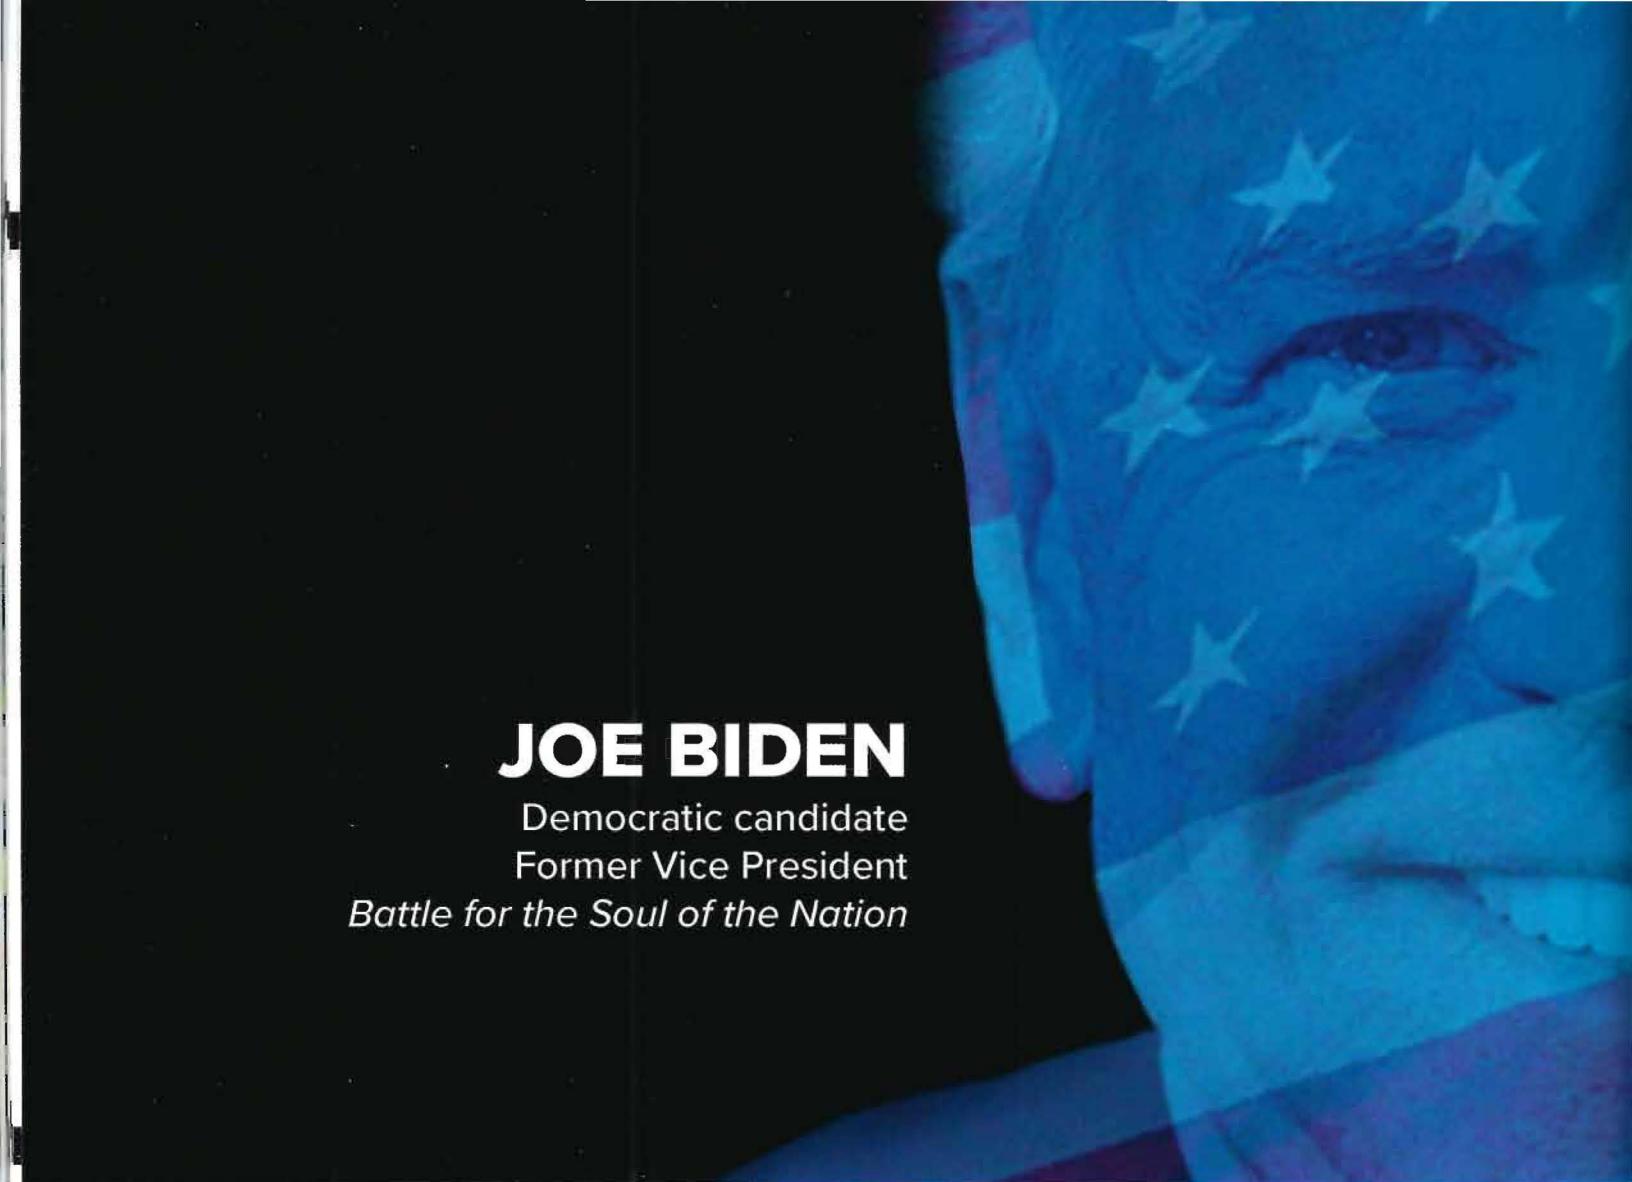

Patricia (a.k.a Señora) Alonso shared her love of languages and open-hearted teaching with her students for 23 years at RHS. She was as comfortable in Bennington as she was in Barcelona or Berlin and should be remembered for having launched the sister-city exchange program with Pont de Suert, Spain. She was also a dedicated advisor for the Sociedad Honoraria Hispanica, Model UN, and the National Honor Society; a department chair for World Languages, organizer of student-faculty basketball games, and co-ordinator of many a food drive. As both a member of the Standards Board and as a Union Representative, Patricia assisted her colleagues through the twists, turns, and hoops of professional practice. And she always went the extra mile to support her English Language Learners and their families, whether they were registering for kindergarten, studying for an exam, or applying for a job.

We will miss Patricia very much (and she is taking with her years of institutional knowledge!) but we wish her the very best as she begins her well-deserved retirement.

## Laurie Wilson, Information Technology

Ms. Wilson has been a member of the Rutland City Public Schools community since 1992. She taught at Stafford from 1992-2011 and used her Architecture degree to develop and teach the Architectural Drawing Program. Many of her students went on to VTC and other schools to continue their education. In 2011, she joined RHS as a technology teacher. In this role, she took charge of the Maker Space, learning to 3D print and use other cutting-edge technology. As part of the STEAM committee, she developed and taught courses in 3D printing and led RHS to multiple wins at 3D Vermont and other events. She presented regularly with students at VITA Learn's Dynamic Landscapes Conference. Ms. Wilson also served as the technology integrationist for the 9th-grade team. Over the years, she influenced thousands of students and worked collaboratively to bring unique opportunities to 9th grade such as the Geology ESRI project portion of the RHS STEM Fair. Ms. Wilson has been a valuable resource to both faculty and students and will be missed. Her work propelled many students into college and/or outstanding work opportunities.

# JOE BIDEN

Democratic candidate

Former Vice President

*Battle for the Soul of the Nation*

After it's too close to  
call *Election Night*, a  
divided nation waits

# RACE TO

***"I pledge  
to be a  
President  
who seeks  
not to divide,  
but to unify.  
Who doesn't  
see Red and  
Blue states,  
but a United  
States."***

—Joe Biden

In an unprecedented year, it was an unprecedented election. There was record voter turnout, with more than 101 million early votes and 158-plus million total votes. Absentee and mail-in ballots skyrocketed, mostly from voters staying home because of the pandemic. With several states unable to tally votes before Election Day, the race was too close to call Nov. 3.

Over the next several days, anxious citizens were glued to television, watching footage of election workers counting ballots and seeing the voting numbers and electoral map update. By Saturday, Nov. 7, Pennsylvania finished counting, with Joe Biden 81,000+ votes ahead of Donald Trump. The 20 electoral votes pushed the former Vice President over the 270 threshold to win the White House. Pennsylvania was one of five key states that flipped blue from the 2016 election.

"I am honored and humbled by the trust the American people have placed in me..." Biden said in a statement shortly after the projection. "It's time for America to unite. And to heal."

As the Associated Press and networks projected Biden as the winner, Trump continued allegations of voter fraud and refused to concede.

"The simple fact is this election is far from over," Trump said in a statement Nov. 7. "Joe Biden has not been certified as the winner of any states, let alone any of the highly contested states headed for mandatory recounts, or states where our campaign has valid and legitimate legal challenges that could determine the ultimate victor."

Trump's campaign filed multiple lawsuits in battleground states; they ultimately dropped several cases and judges dismissed or ruled against the plaintiffs

# THE FINISH

in the majority of other legal disputes.

Local, state and federal election officials from both political parties stated there was no widespread fraud or voting irregularities. The Cybersecurity and Infrastructure Security Agency, which led federal election protection efforts, released a statement noting, "The November 3rd election was the most secure in American history." A partial recount in Wisconsin and a hand and machine recount in Georgia reaffirmed Biden's wins in those states. In total, Biden won 306 electoral votes, the same number Trump won in 2016. Biden won the popular vote by more than seven million votes. All states in the District of Columbia certified election results by December and the 538 members of the Electoral College cast their votes, Dec. 14. Biden was sworn in as the 46th President, Jan. 20.

**5** states flipped blue from 2016 election

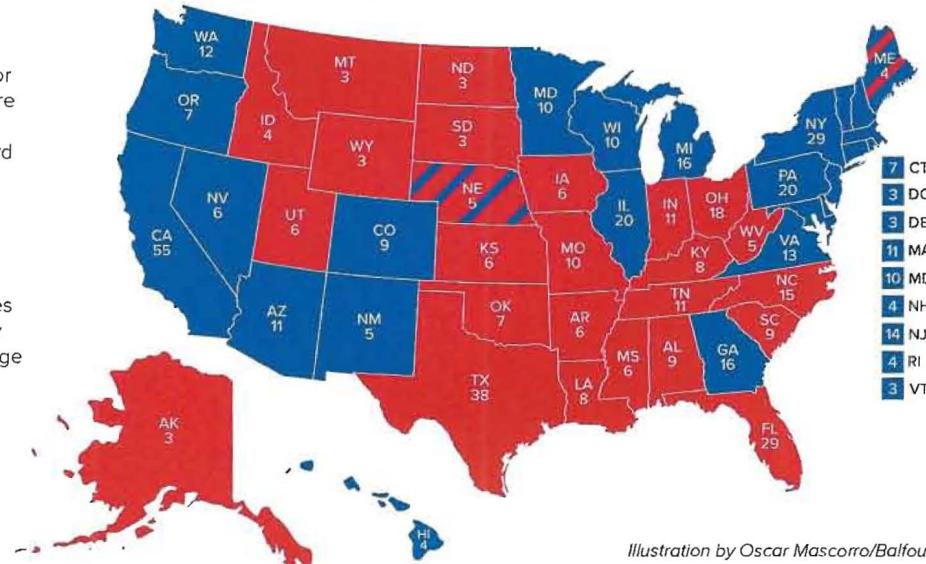

Illustration by Oscar Mascorro/Balfour

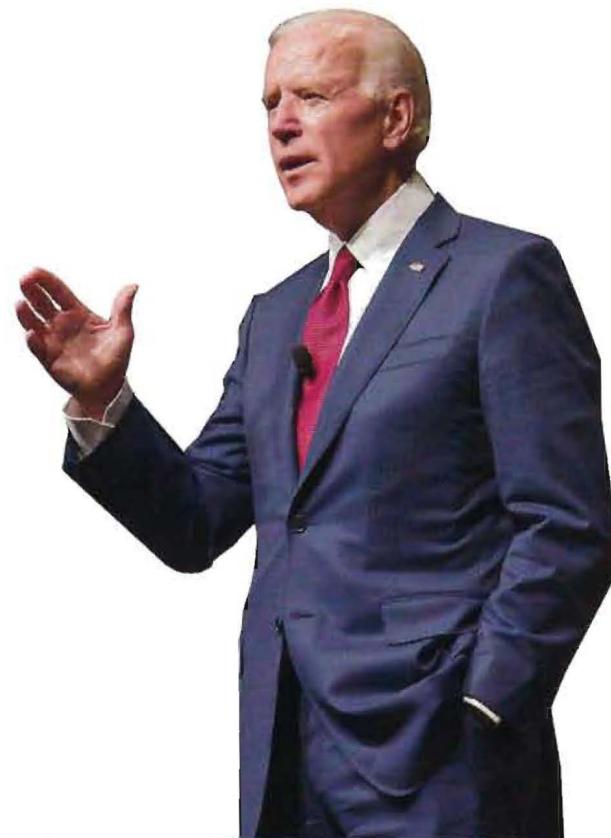

Human rights aren't political, but politics do influence how minorities in America are treated. That is why when the Black Lives Matter movement started gaining traction in 2020, the left,

known for its more progressive policies, was deemed synonymous with BLM in media. Joe Biden states that he will be addressing racial injustices, but we will have to see.

## Joseph R. Biden

After graduating from law school, Biden began working as an attorney in Delaware before he quickly turned to politics. Biden served on the New Castle county council from 1970 to 1972. Then, in 1972 he was elected to the U.S. Senate. Biden won reelection six times after his term in 1973. On August 23, 2008, former president Obama officially announced Joe Biden as the Democratic Party's Vice Presidential nominee. Biden took the oath of office as Vice President on January 20, 2009. Four years later, both Obama and Biden were reelected for a second term.

## LEFT

**On January 20, 2021** Joseph R. Biden was inaugurated as the 46th president of the United States. Just fourteen days before, there was an insurrection on Capitol Hill. Although Americans have a right to protest, what happened that day was not protesting. Storming the capitol and rioting over an election that was already over, solved nothing. We can all hope that Biden's term will bring more mature discourse instead of violence.

## LEFT

On January 20, 2021, Kamala Harris was inaugurated as the Vice

President alongside Joe Biden. She is the first woman, African American, and Asian American Vice President sworn into the White House.

**"We did it Joe"**  
~ Kamala Harris

**2020**  
**ELECTION**

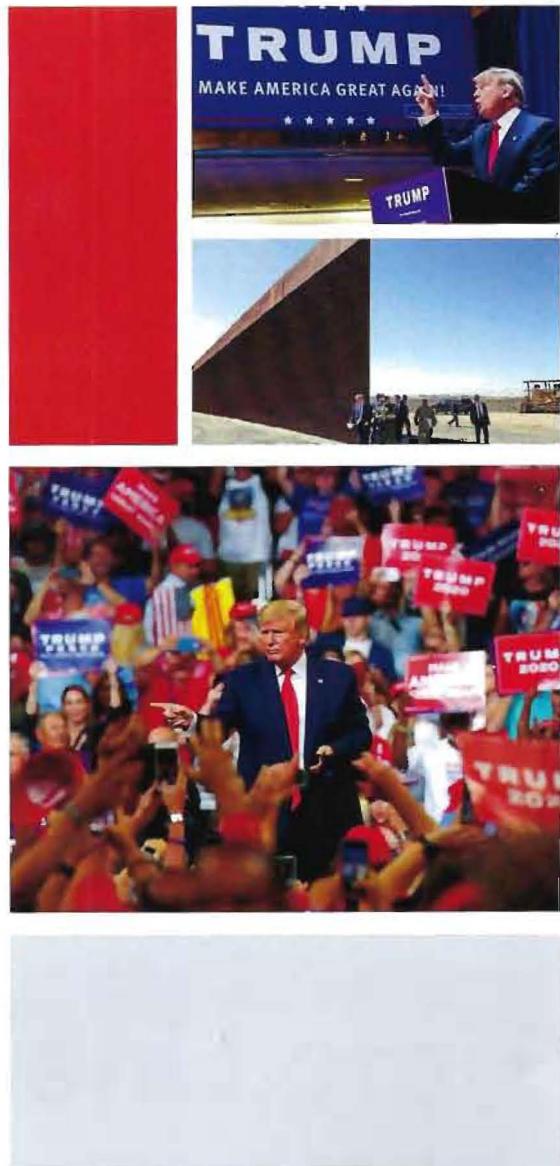

# 2020 ELECTION

**Donald J.  
Trump**

## THE LAST FOUR YEARS

On January 20, 2017, Donald John Trump was inaugurated as the 45th president of the United States. Trump's main policies were building a border wall to "curb immigration", repealing the Affordable Care Act, protecting U.S. manufacturing, and defending the Second Amendment.

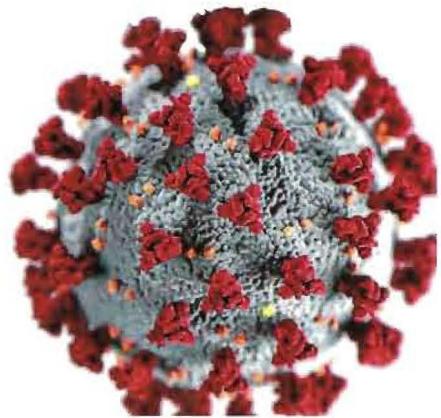

### Trump's COVID-19 Response

In 2019, Donald Trump dismissed the global health crisis that President Barack Obama responded to in 2016 because "as a business man" Trump did not want thousands of people around when you don't need them. Despite knowing about the pandemic for months before with numerous health officials contacting him explaining the severity of the virus, Trump declared a state of emergency on March 13th, 2020. The 45th president

the **RIGHT**  
the **RIGHT**

initially never implemented a nation wide mask or stay-at-home mandate. Then, he refused COVID tests from the WHO (World Health Organization) and said America would make its own. Now, we are in this pandemic with 590,000 Americans dead and more than 25.6 million infected.

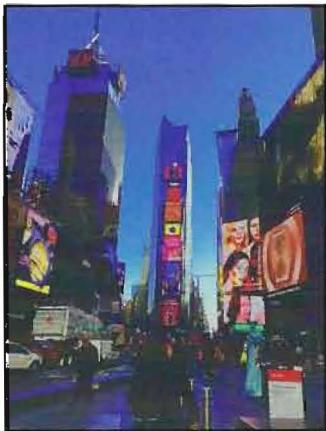

In many states across the country Friday, March 13, 2020 marked the last day of classes for kids

*Freshmen Fifteen to Covid Nineteen*

## A Year of Covid

Covid kept the whole world on its toes for 2020, but an ending in 2021 seems both near and yet so far. With symptoms varying per person and the numbers climbing, the best options were to stay home or brave the world masked up. Although we spent holidays and birthdays on the phone, we learned new hobbies, and had some cabin fever. We got through this together no matter the physical distance.

# Together A Part

Mrs. Archer's Socially Distanced Class

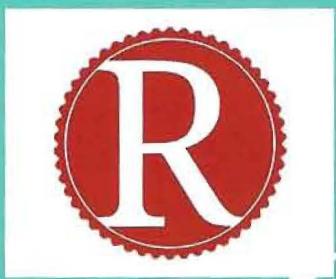

Remote Learning

Google Meet Classes

Bernie Sanders attended the 2021 Presidential Inauguration and the picture of him sitting in a chair with mittens on went viral. Because of this, he decided to put his picture on sweatshirts and sell them. He raised over 1.8 million dollars which he donated to Meals On Wheels Vermont.

RHS Mascot changed from the Rutland Raiders to the Rutland Ravens. Still no actual design for the new logo so this is what is being used for now.

Bus drivers are now in charge of delivering the school's bag lunches to students that are remote learning this year. Lunches can be picked up at Northeast, Northwest, the Intermediate Schools and also at Ocean State Job Lot.

Every morning upon entering the school a temperature check must be taken along with answering CDC guideline COVID questions. Thank you to those who do this everyday for us.

# Dude. Be Nice

During these difficult times, GMTI has taken the time to spread good vibes throughout the school. They came up with Dude Be Nice as a way to get students and staff talking about what being nice truly means. This club also spread positivity by encouraging everyone to compliment someones outfit, virtual hugs, writing thank you notes, a simple smile, looking for the good, and believing because it gives not only you hope, but to those around you as well.

Due to the pandemic, many people have been struggling to provide for their families. With the holidays around the corner, RHS wanted to help by hosting a gift give away!

## Lasagna Mamas

Rhiannon Menn, a Mom in San Diego, was feeling helpless and struggling to find her purpose. One day she decided that she was going to make lasagna for those in her community. Menn's intentions were to help those in need and to pass the time but that quickly turned into Lasagna Love, an organization of almost 500 "Lasagna Mamas" spread across 13 states and 266 cities. Anyone can sign up, request, or donate to Lasagna Love and help those around you.

### Kinder than Necessary 5K

#### How does it work?

Who: Literally anyone on the planet can do it (it's virtual!)  
What: A 5K race to benefit RHS Class of 2023 AND BROCC Community Action  
When: Any time between Sunday, January 24 and Sunday, January 31  
Where: Wherever you like (it's virtual)  
How: Go to our GoFundMe page and register. Run, walk, or dance the race  
Why: Because you like to move your body, you like to help people, and you want the sweet sticker that comes with your registration!

The Class of 2023 joined with BROCC Community Action to sponsor the first Kinder Than Necessary Virtual 5K.

# Nothing's the **SAME**

## MASKS BECOME A NECESSARY PART OF LIFE

What was once thought a temporary routine became a daily habit. As COVID-19 cases spread across the country last spring, health officials encouraged social distancing, hand washing and mask wearing. By November, 35 states had mask mandates and the Centers for Disease Control and Prevention recommended all people age 2 or older wear a mask in public or around people not in their household. Face coverings became the latest accessory with clothing brands, retail stores and online sites selling multiple types and designs.

## ONLINE GROCERY ORDERING BOOMS

With families urged to stay home, the digital grocery market skyrocketed. Online sales soared more than 300 percent in the early months of the coronavirus pandemic, according to The Food Industry Association's 2020 report. Statista.com found grocery delivery and pickup surged from \$1.2 billion in August 2019 to \$7.2 billion in June 2020.

## 3

## AISLES SWITCH TO ONE WAY

To alleviate crowding, grocery retailers and superstores changed aisles to one-way traffic. Arrows on the floor indicated the path with each row reversing to the opposite direction. Although not always followed, the attempt was to keep shoppers six feet or more apart.

# 4

## RESTAURANTS STRUGGLE

Lockdowns and coronavirus concerns dramatically limited restaurant traffic, hurting local eateries and national chains. As restrictions eased, restaurants reopened dining rooms, slowly increasing capacity while keeping social distancing measures in place. But business remained slow with many places letting go workers and closing doors.

# 5

## DRIVE-THRUS, TAKE OUT AND FOOD DELIVERY SAVE THE DAY

While indoor dining numbers plunged, one area of the food industry stayed strong. Tired of constant home cooking, families took advantage of delivery services like Grubhub and Door Dash. Restaurants offered family packs and take-out specials for those willing to venture out. Pizza deliveries thrived while drive-thrus became a lifeline for fast food joints and restaurants.

## LIFE GOES VIRTUAL

As Americans were encouraged to stay home, offices and schools switched to work-from-home formats. Digital meetings became the norm as everyone worked in a virtual environment.

## SAFETY MEASURES PUT IN PLACE

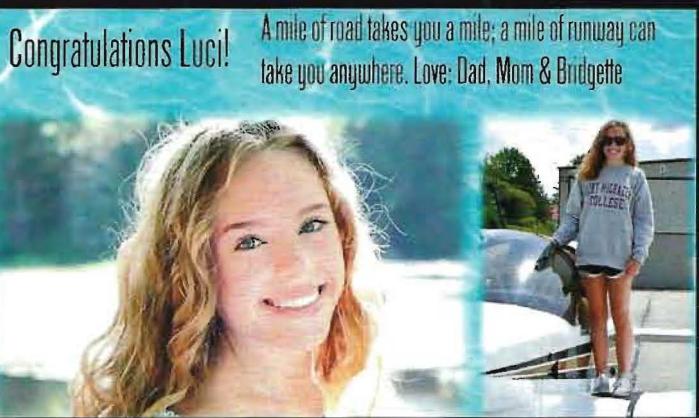

Businesses enacted social distancing measures to keep employees and patrons safe. Banks and grocery stores installed transparent acrylic shields while distancing notices graced floors, noting six feet of separation. Hotels, restaurants, airlines and other companies stepped up cleaning practices to ensure areas were sanitized. Most businesses required masks for entry.

Congratulations Luci!

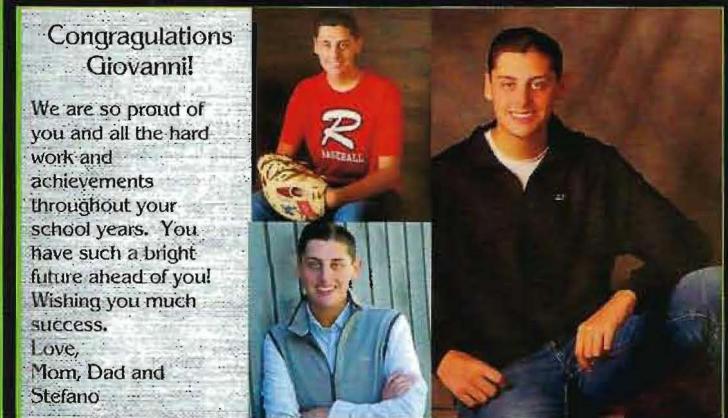

A mile of road takes you a mile; a mile of runway can take you anywhere. Love: Dad, Mom & Bridgette

A composite image featuring a large portrait of a young woman with blonde hair on the left, and a smaller photo of her standing next to a white airplane on the right.

Congratulations Giovanni!

We are so proud of you and all the hard work and achievements throughout your school years. You have such a bright future ahead of you! Wishing you much success.

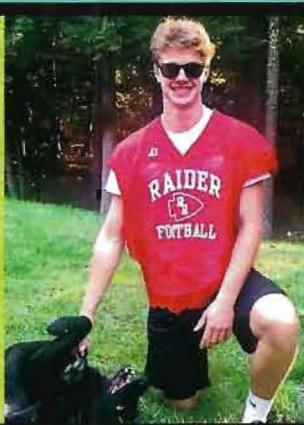

Love,  
Mom, Dad and Stefano

A collage of three photos of a young man: one in a red baseball shirt, one in a blue vest, and one in a dark jacket.

Congratulations Cory!

In the blink of an eye, your high school years are over. We have cherished every moment of these last four years watching you grow into the wonderful man you have become. We are so proud of you and all you have accomplished. The next chapter of your life awaits you and we will be there for you with encouragement, love and support. We wish you happiness and success in all you do!

With all our love, Dad, Mom & Clay

A photo of a young man in a red football jersey and sunglasses, standing outdoors.

Congratulations Nash!

We are so excited to see where life takes you. Enjoy every minute of it!

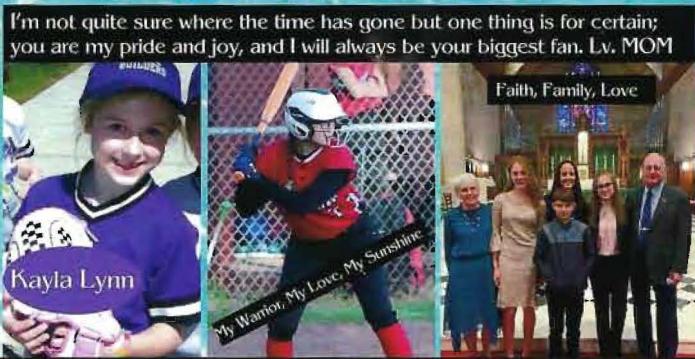

A photo of a young man sitting on the front of a blue vintage pickup truck.

CONGRATULATIONS TO  
NATHAN PARE  
AND THE CLASS OF 2021!  
WE ARE SO PROUD OF YOU!

Start to finish. Proud of you all the way!  
Love, Mom and Dad

## From Then to Now

Ben, the last 18 years have simply flown by. We are so proud of the amazing young man you've become. It's very exciting and a bit heartbreaking (not gonna lie) to watch you take this next step into adulthood. Just remember "Life moves pretty fast-if you don't stop and look around once in a while, you could miss it."~F.B. Love you tons.

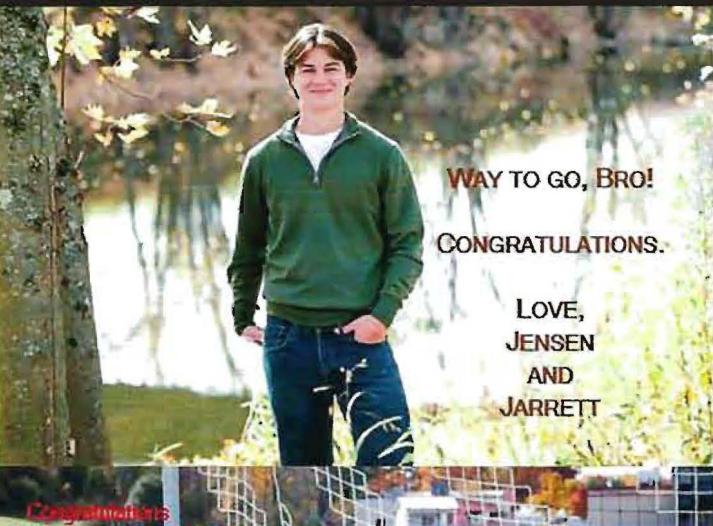

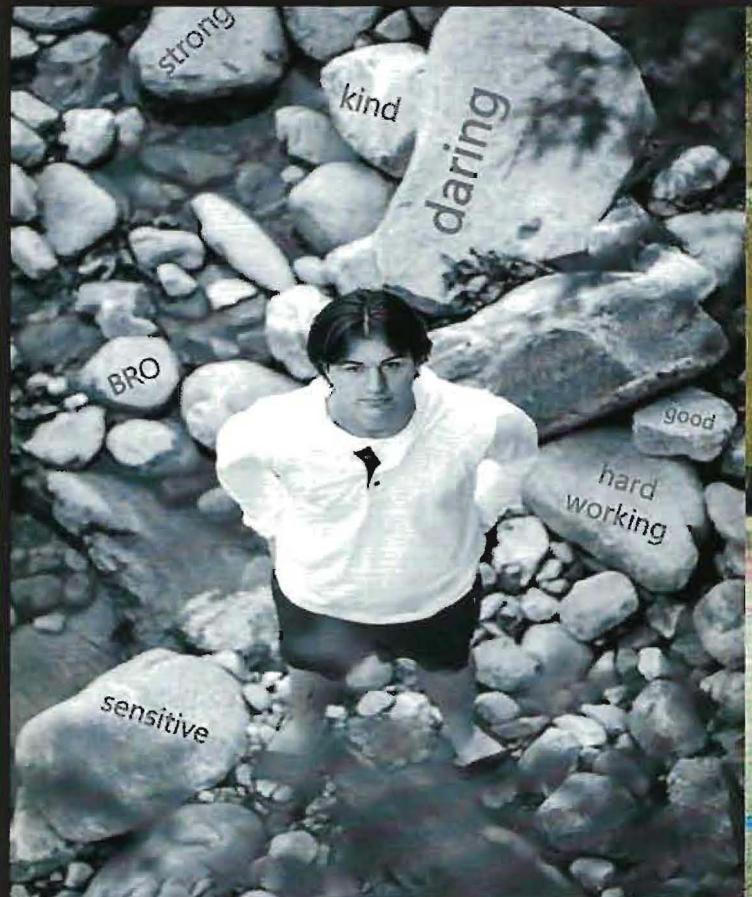

Toby: Always remember - you are braver than you believe, stronger than you seem, smarter than you think, and loved more than you know. So proud of you!  
Dad, Mom, Noah, & Amelia

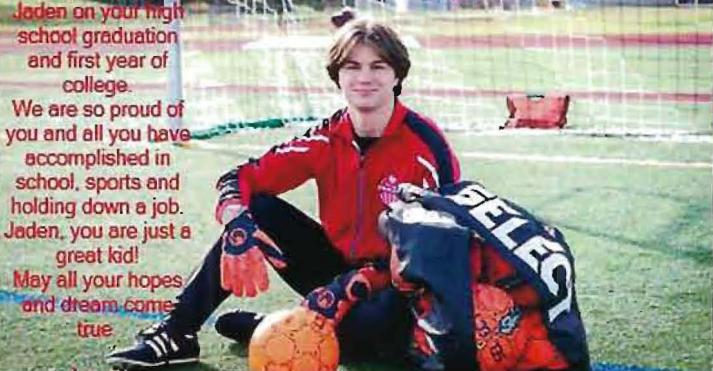

### CONGRATULATIONS GIANNA!

We are so very proud of the beautiful, caring, confident and resilient woman you have become! We can't wait to see what possibilities the world has to offer you! Always follow your heart and your dreams.

We love you forever!  
Mom and Dad

Congratulations Jaden on your high school graduation and first year of college. We are so proud of you and all you have accomplished in school, sports and holding down a job. Jaden, you are just a great kid! May all your hopes and dreams come true!

# RHS thanks all of our business partners!

# MAPLE Sugar VERMONT & Spice

US Rte4 Mendon, VT  
802-773-7832

## Family Restaurant

Served in an authentic sugar house, each meal is made to order using our own recipes and the freshest ingredients. Whether it's a stack of our famous Pumpkin Pancakes with REAL Maple Syrup, Stuffed French Toast, or a fluffy omelette, you are sure to enjoy.

## Working Sugar House

Sample some maple syrup candy as you browse around our sugar house. In the spring, you can even watch us boil the Maple Syrup ... right from your table in our 2 story open gallery dining area!

## Gift Shop

Pick up some of our Maple Syrup or Handmade Maple Candy to take home. We have lots of other unique gifts and Vermont Products. Whether it's Maple Syrup, Moose PJs or Maple Pepper, you are sure to find something interesting, tasty or just plain fun.

## Open Daily - 7am to 2pm

Open Christmas Day  
Serving Breakfast ALL DAY - Lunch starts at 11am

Can't wait to visit our gift shop in person... order from our online gift shop and have your goodies shipped directly to you.
